

Surveyor of the Year Award

Nomination for the year _____

Article III(d) of the Articles of Incorporation of the Idaho Society of Professional Land Surveyors states as one of the organization's purposes "*to honor the leaders in the science of surveying*".

Policy 4 provides for the selection of one of the members as the Surveyor of the Year.

- Nominations shall be submitted to the Board prior to the fall Board meeting.
- The ISPLS Board of Directors selects the recipient prior to the annual meeting.

Criteria: The recipient is expected to have a record of achievement and service to the profession including:

- Membership in professional associations or societies.
- Membership, participation, and service in ISPLS.
- Public Service.

Attach a biographical sketch mentioning achievements, any other awards and honors presented to the nominee and offices held.
